

# SKETCH 1

General piece structure

# Introduction

The piece starts with fading in ambient sounds/ music. The narrator reads our introduction text, which works as a manifest of the piece. It will convey the main message, in a spiritual, social and political content.

## Summary of Attar's story

No music or sounds. Narrator will read a short summary of question of the birds, why they gather, and what are they looking for?

Preparation of Hoopoe's (the wise bird) message, encouraging them to go on a journey to face all their fears, uncertainty and human faults, in order to reach something higher, a call that is inside everyone.

Preparation to begin the journey to the seven valleys.
